WE WANT YOU JOIN PTA!

Dear Bluebonnet Parents,
We want you to get back to the basics and join the PTA. This year those who join the PTA will get their Bluebonnet directories for free and those who do not join will have to pay $5.

Here are just a few things Bluebonnet PTA strives to achieve for you and your children each year:
* Promotes family involvement through PTA programs and fun family events.
*Provides a volunteer network to assist and support our teachers, allowing them more time with their students, our children.
* Raises funds to give Bluebonnet students the extras (and basics) which State funding doesn't cover.
* Sponsors programs and contests encouraging literacy and Arts in Education.
* Keeps you informed and up-to-date by publishing a School Directory, Newsletter, and Web Site.
To continue these essential PTA programs, we need EVERY parent to
join PTA!
Thank You,
Jennifer Morris, Membership
