

Carnival Raffle Basket Ideas

Just a few notes: These baskets will be displayed at the Fall Carnival, which takes place on Saturday, October 13th 2018. People write their names on tickets and place the ticket in a jar next to your basket for a chance to win. Whoever has their ticket drawn wins the basket. Tickets cost \$0.20-\$0.25 each, and most baskets bring in about \$25 or so. We want the baskets to be fun and exciting, but don't overdo it too much! Feel free to come up with your own theme, but below is a list of ideas used in the past.
